

## A Charlie Brown Christmas 2018

On Friday, December 7, 2018, the St. John Paul II Catholic High School drama students performed A Charlie Brown Christmas for partner school students. This is the second year the JP II Theater department has performed this Christmas classic. Students from St. John's, Holy Spirit and Holy Family Catholic schools attended the performance. The attendees were able to have group photos taken with the cast and each student received a Charlie Brown puzzle as they exited the play.
