Application for the MARCH for LIFE: January 25-29, 2017

On January 22, 1973, the Supreme Court issued its ruling on the case “Roe v. Wade,” making elective abortion legal in all fifty states. Since then, more than 1,000,000 babies have been aborted annually. Beginning in 1974, the March for Life serves as an annual opportunity for hundreds of thousands of concerned Americans to converge on our nation’s capital to peacefully voice support for an end to abortion and all offences against the dignity of life.
