

## SACRED ARTS CONCERT AND ART SHOW

The Sacred Arts Concert and Art Show was held on Monday, October 1, 2018. Attendees were able to casually stroll through a student art exhibit, showcasing outstanding visual art (charcoal, acrylics, pencil, watercolors and many other mediums). After enjoying the art exhibit, the JPII choir and concert bands performed. JPII Choir Director, Mrs. Dorene Gullatt commented, "I am pleased with the progress this group has made since the start of school. We have a very young choir and these students have practiced many hours. I love seeing them become passionate about the arts and show such amazing growth and potential." The JPII concert band performed three pieces, beautifully highlighting the many talented musicians in the largest band in the history of JPII. The Sacred Arts Concert and Art Show is held annually as a platform for our Fine Arts program.
