

## JPII Senior Weston Signs with UAH

On Thursday, JPII senior Michael Weston signed a four year scholarship with UAH for soccer. Weston has played for the Falcons for four years and has also excelled on his club team. Family, teammates and other friends of Michael came to JPII to show their support and congratulate Michael on this accomplishment. JPII Head Boys Soccer Coach, Jason Batchelor, complimented Michael on this achievement, saying, "Mike, you deserve it. You've worked your tail off for four years. It has been an absolute pleasure. You're a very gifted athlete and I know that UAH is going to be very lucky to have you." Congratulations, Michael!
